Arcana hortensia ... 1718. (Card 2)

The address to the reader implies that this work was translated from
French sources furnished, partly in manuscript, by their author, whose
name is not given. The contents, however, indicate that the supposed
original work was largely a compilation from a number of 17th century
gardening books.90

Arkansas - Cooperative crop reporting service.
Maps showing the distribution of principal crops and of live stock in Arkansas for the season of 1919. Comp. by the Co-operative crop reporting service for the state of Arkansas. Little Rock [1920?],
chart. 53 x 80cm.

Arkansas - Corporation commission.

On Feb. 3, 1933, the Arkansas Corporation commission was created by legislative act and was given certain powers and duties pertaining to corporations, public utilities, common carriers and assessment of taxes. On the same date, the Railroad commission and the Tax commission were abolished, and their powers and duties transferred to the Corporation commission. - cf. Introductory and p.19, Biennial report, 1933-34 of the Corporation.

Arkansas academy of sciences.

Organized Jan. 11, 1917; the principal office to be located in Little Rock. Became inactive after Oct. 12, 1917 (the last regular session of the early academy). Reorganized in Oct. 1932; the principal office to be in Fayetteville. "Both ideas as to principal office have now been abolished". New constitution adopted March 1934 and title changed to The Arkansas academy of science, arts and letters. An amendment in 1941 changed title again to: The Arkansas academy of sciences.

"During the ten years from 1887 to 1897 Garden and forest ... offered
the opportunity for the prompt publication of information about trees and
shrubs collected at the Arnold arboretum. Since the publication of that
journal was discontinued the arboretum has had no organ ... Since 1911
information in regard to the flowering and fruiting of some of the inter-
esting plants in the arboretum and their cultivation has appeared in Bulle-
tins of popular information ... The Journal of the arboretum will not take
the place of these Bulletins, which will be continued."—v. 1, no. 1, introd.
note.

Serials - title, pt., part, etc. For list in library see shelf list
No. 1, 2d quarter 1893, entitled "Bulletin of the Gray memorial botanical
chapter of the Agassiz Association," is a reprint (Nov. 1904) by the Plant
world.
The Bulletin was established in 1893 to furnish means of communication
between members of the Gray memorial botanical chapter of the Agassiz
association, whose organ it continued to be through Mar. 1897. At first
issued privately, it was opened to general subscription Jan. 1896 as a quar-
terly, and in 1898 as a bi-monthly publication.
